"Working with industry towards a profitable and successful future"

A company wanting to expand and develop existing partnerships

A company seeking **new** customers

**Any** company that has a real desire to grow

Regular training

Skills and behaviour affect results: we ensure our staff are knowledgeable and up to date by employing weekly company training sessions and providing individuals with daily guidance, so everyone can attain their full potential.

#### Test and measure

To guarantee success. communication is vital. As a team, we 'huddle' daily to confirm everyone is completely informed and knows who is working for you that day.

## What is Business **Development?**

Business Development is essential for any business with the determination to expand or attract a wider clientele. At Hayward Miller we actively pursue opportunities for our clients by developing existing relationships, seeking new customers and identifying additional markets for products or services. Using our experience we increase our client's business. through networking, our contacts and market knowledge. Not only do we provide one main point of contact, but also offer our entire team's expertise and experience as added support.

"The Business Development Manager assigned to us was very professional, and we are glad we entered into this business relationship."

Managing Director at UK Aerospace Company
