

New Recruitment Client can Save you Time and Money

CWS Group is a search and selection recruitment company specialising in sectors including but not limited to; - engineering, automotive, landscaping and ground maintenance. The company is based in Leicester and have been in the industry for 27 years saving companies time and money.

The CWS group dedicate their time and efforts towards getting to understand both their clients and potential candidate's needs. Essentially, they will find the right job for the right people and with many years of experience behind them and a great understanding in several sectors, CWS are professionals in their field.

They offer a selection of bespoke enlisting systems tailored to each of the sectors they specialise in and provide several different styles of sourcing their candidates. This, in turn, allows the company to have a wider array of potential candidates, varying different contract types to suit their clients desired profile.

Free skill tests are offered to candidates to safeguard validity before suggested any roles, some of which include:

LANDSCAPING & MAINTENANCE – Candidates specialising in Hard & Soft Landscaping, Tree Surgeons, Grounds Maintenance, Fencing and Horticultural Workers.

TECHNICAL, ENGINEERING – CNC Machinists, Sheet Metal Workers, Welders, Quality Inspectors, Grinding, Injection Moulding and Maintenance Engineers.

AUTOMOTIVE & DRIVING – HGV & Car Mechanics, Panel Beaters, MET Technician, Paint Sprayers, Tyre Fitters, Van & 7.5 Tonne Drivers.

SUPPLY CHAIN – Warehouse & Production Workers, FLT Drivers, Stores, Despatch, Quality Control, Sales, Administration & Accounts.

Hayward Miller are working alongside the CWS Group as an extension to their salesforce, using our Managed Services package to increase their sales. We have begun targeting their customers in the Landscaping and Grounds Maintenance Recruitment sector where we've contacted many leads and already have customers in direct contact with key decision makers. Having had experience working in the recruitment industry before we are knowledgeable of CWS Group's industry sectors.
